Time

Karen,
One of my favorite people
in the whole world. I can't help
but to love ya to death. You're
one of the nicest, sweetest, and
best looking girls I know.
But you are very unique
because its not often that you
find a girl that has all of
these qualities going for
her. You are one of my best
friends and I would do
anything for you. So if you
~~ever~~ need anything or
just someone to talk to
I will be there. But no
matter what happens keep
in touch always. Some of
my fondest memories of
High School have you and
Kim in them. Be good and
keep smiling.

Homecoming 1985

Everyone was excited to see the Homecoming activities begin with the annual Homecoming parade at 2:00. It started at Irvine grade school and ended at Old Irvine High. The parade consisted of 27 Homecoming Queen candidates and floats decorated by various clubs.

The theme of the parade was "Puttin' on the Hits," and the competition for best float was won by the Art Club.

Engineers went head-to-head with the Purples of Madison County, and the end of the first half the score was 28-0 in Madison's favor.

The Pep Club added a little extra cheer to the parade.

During halftime the Homecoming Queen candidates were escorted onto the field by their fathers. Everyone was wondering who would win the privilege of being the 1985 Homecoming Queen. Elizabeth Woolery was named second

PRESIDENT'S LAST WORDS

The time has come that the class of "86" must depart Estill High. Although we must leave our carefree school days behind and take on the responsibilities of adulthood, we will never forget the ones who helped us along the way. As we cross that stage at graduation and go into the real world, we will never forget all the good times we had at Estill

County High. As we all go our separate ways, always remember and never forget our past four years at Estill County High, for this was "OUR TIME." On behalf of the Class of "86," we would like to thank the sponsors and faculty for their support.

Oh please, Lori, I just got up.

Are they having a woman to woman chat?

HERE COME THE BRIDES!

The Senior Play was "Here Come The Brides," a three act comedy by William D. Fisher. It was presented October 1 to the public and October 2 to the student body.

The play was about a young man, named Jimmy Took, who had to find a wife in a hurry. Jimmy had been receiving monthly checks from his Uncle Dan for the support of a non-existent bride. But his problems really began when Uncle Dan wants to meet the blushing bride.

Jimmy tries to convince his girlfriend, Madge Burns, to pretend to be his wife but she refuses. Then Jimmy tries to draft the unsuspecting bill-collector, Mr. Oswald, into being his bride; but he refuses also. Jimmy's next candidate becomes his roommate Bill Thompson. When Jimmy is finally able to convince Bill to go along with his plan, all seems to be going perfect until Madge and Mr. Oswald show up — each claiming to be Jimmy's wife.

During all the excitement many other occurrences take place. Bill's Aunt Ellen falls in love with Uncle Dan who is also being pursued by Mrs. Duvalle Smythe and her sister, Bubbles Duvalle. Peg Westfield, Uncle Dan's ward, wants to meet Bill. McDaniel, a nurse from the Green Gables mental hospital is busy trying to catch "Lady Macbeth," one of his patients.

Jimmy looks worried.

All smiles.

What does Tammy see?

Our 1986 guest speaker, Shirleen Sisney.

Commencement ceremonies are basically the same, until you are one of the graduating seniors. On June 3, 1986 one hundred sixty-five seniors marched into the gymnasium of Estill County High School with a feeling of pride. They crowded into the hot gym along with their family and friends. Shirleen Sisney, 1986 National Teacher of the Year, delivered the commencement address.

After commencement, several awards were presented. The class had three valedictorians and one salutatorian.

What could C-Ann be thinking about?

Smile! "IT'S OUR TIME"

Congratulations James!

Is Renae excited or what!

Is Bobby having trouble?

Mrs. Wolf helps Susie with her cap.

"Duck" lends a helping hand.

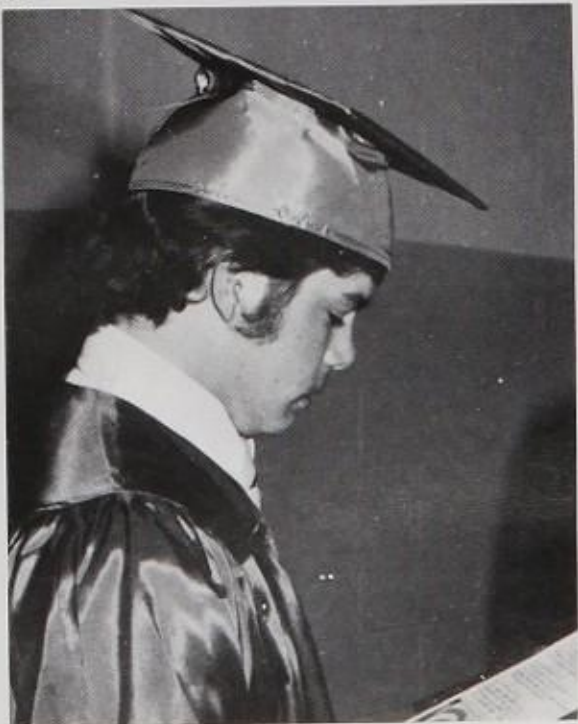

Nobody can say these three aren't ready to graduate.

"Are you serious?!"

These Grads look happy.

Seniors! Seniors! Finally at last
Soon that day of graduation will come to pass

The time has come, or so it seems
To go into the world and live out our dreams

We thought it would never come, now it's finally here
It's time "Class of 86", this is our year

That moment we've waited to happen for all these years
Just think of all the laughter, joy, and tears

We think about getting out, finally free
But without all our friends, how great can it be?

Once we do get out, where will we go?
That can't be answered, because nobody knows

We played the game and we had our fun
Now we must leave, and the game goes on

So, remember the fun times and remember the bad
Remember your friends and the teachers you had

As we leave this place we just have to say
That we had a lot of fun in many different ways

Head off into life and give it your best
You'll face many challenges and be put to the test

The times may be hard and be very rough
But this class will make it, this class is tough

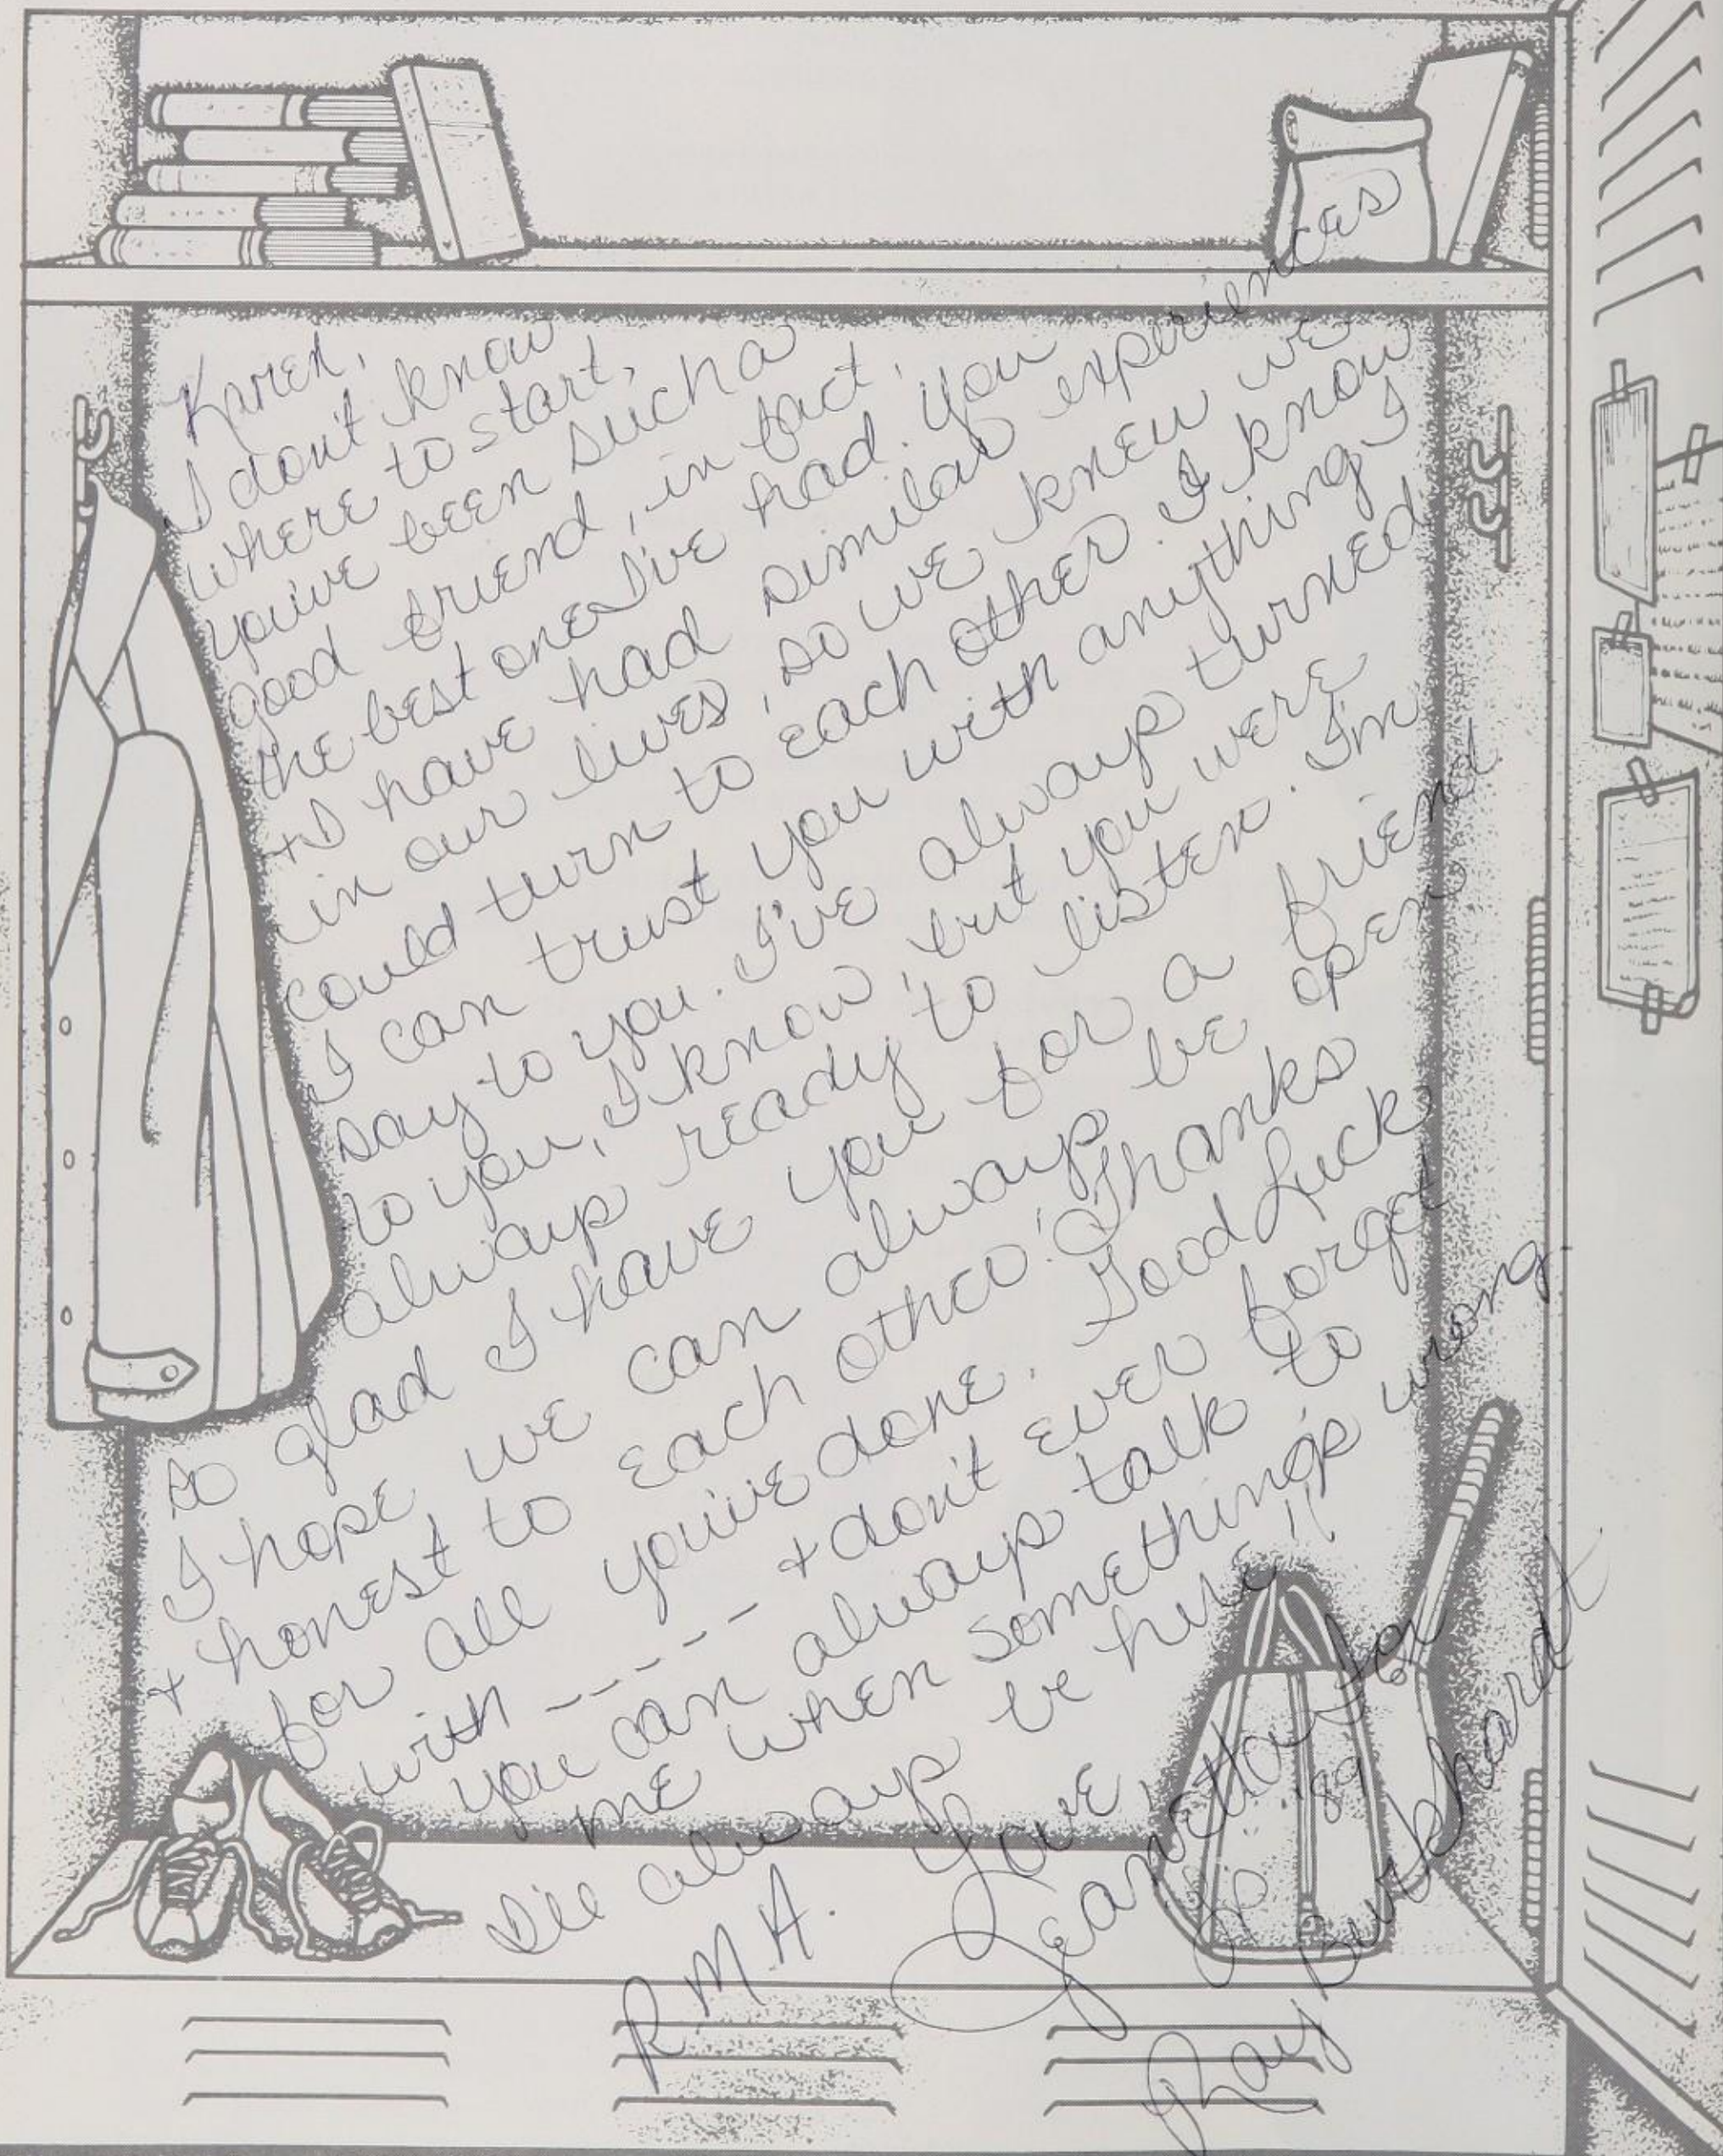

So keep on fighting, never give in
At the game of life we'll all win

Be proud all seniors, of this great class
Remember it always, as time will pass

Another year will go by, but it won't be the same
As long as the memories of the "Class of 86" remain

Tony Muncie

Estill Co. High School

 say to you. Give always turned
 to you, I know but you were
 always ready to listen. I'm
 so glad I have you for a friend
 I hope we can always be
 + honest to each other. Thanks
 for all you've done. Good luck

Dear Diary

J U N I O R P L A Y

What's wrong Tim, wasn't there anything in the diary about you?

Dear Diary is a play directed by Mrs. Kathy Betler and sponsored by the Junior class. The play was about a girl who lets her diary get out of hand. She even has her parents believing what she wrote is true, but everything works out in the end. Cast members were: Tim Prater, Lisa Neal, Jeff Crowe, Carol Puckett, Lynn Welch, Sandra Maples, Gina Brown, Thelma Tipton, and Jennifer Kelly. (sorry if we left anyone out)

You tell them Carol!

What's Gina and Velma looking at?

Sandra must be saying something very interesting.

Tony

An army jacket, a billed-cap
Pulled over ebon locks,
Blue denim jeans, and tennis shoes
With matching, white, sweat socks.

Another pimpled sophomore
Going from class to class.
That's all he ever wished to be,
And all he was, alas.

But everyone is a special
Person in his own way.
Our handicaps are in our minds;
That's where they'll always stay.

With smile he took the artist pen
To make his talent shown;
But greater gifts: to make one see
The self we've never known.

God has taken this precious gift —
Yet treasures always last.
It's when we have them in our heart;
We see their value best.

ENGINEER FOOTBALL

Row 1: Asst. Coach Mike Tate, Asst. Coach Bill Miller, Head Coach Kevin Sargent, Asst. Coach Arthur Ballard. Row 2: Mark Warren, Kevin Richardson, Terry Faulkner, Mike Walters, Nikki Edmonson, Jody Creech, Mickey Hatton. Row 3: Jeff Berryman, Mike Norton, Keith McCoy, Brian Daniel, Tim Gentry, Dwight Marcum, Bobby Hoover, Jerry Arnold. Row 4: Danny Sparks, Jeff Pearson, Harold Johnson, Arthur Witt, Doug Flannary, Stanley Riddell, Nathan Arvin, Melvin Hardy. Row 5: Budd Tucker, William Hardy, Jeff Cole, Jim Means, Tim Casey, Joel Long, Charles Painter, Jeff Sparks.

The 1985 football season was a long one for the Engineers. Twenty-six young men that endured a season that played a schedule that could compare to anyone in the state. Twenty-six young athletes that didn't know, and still don't know what it means to quit. True, some started back in July and didn't make it, for various reasons. But the twenty-six that did make it are the epitome of what Engineer Pride is all about.

Seventeen of the twenty-six were freshmen and sophomores, playing teams like Danville and Prestonsburg, who fared very well in the playoffs. On paper, it looked as though we were fielding a junior varsity squad against our opponents' varsities. Here was the '85 schedule and the scores:

Rowan County	36	Estill	8
Johnson Centroll	55	Estill	6
Jessamine County	57	Estill	0
Prestonsburg	77	Estill	12
Montgomery County	38	Estill	0
Lincoln County	35	Estill	7
Bourbon County	32	Estill	9
Richmond Madison	47	Estill	6
Danville	59	Estill	0
Breathitt County	56	Estill	0

With youth and inexperience as the big barrier, a new philosophy from a new head coach was a transition that's tough for any team to handle especially with the youthfulness of the 1985 team. The team stayed together under the new leadership, however, and took loss after loss in stride, showing that "Every Dog Has His Day."

And with almost 90% of the team returning for 1986 only good things are hoped for. A year older, both mentally and physically, the Engineers will return to take on again, a tough schedule. But what's even better that bond, that held together a team that under ordinary circumstances would have collapsed, will be a year stronger. Ordinary? Not this Team. Better described as Extraordinary. A team that any person in the coaching profession would want to associate with. A team that showed a lot of good things that the average fan would never see.

The record was 0-10 and very tough to take. But even more so what's tough to take is the stigma associated with being on the down side of the scoreboard. In athletics, you do the best you can possibly do individually, and in a team you've done your best as a group. But sometimes that's not enough. And the 85 season was one of those times.

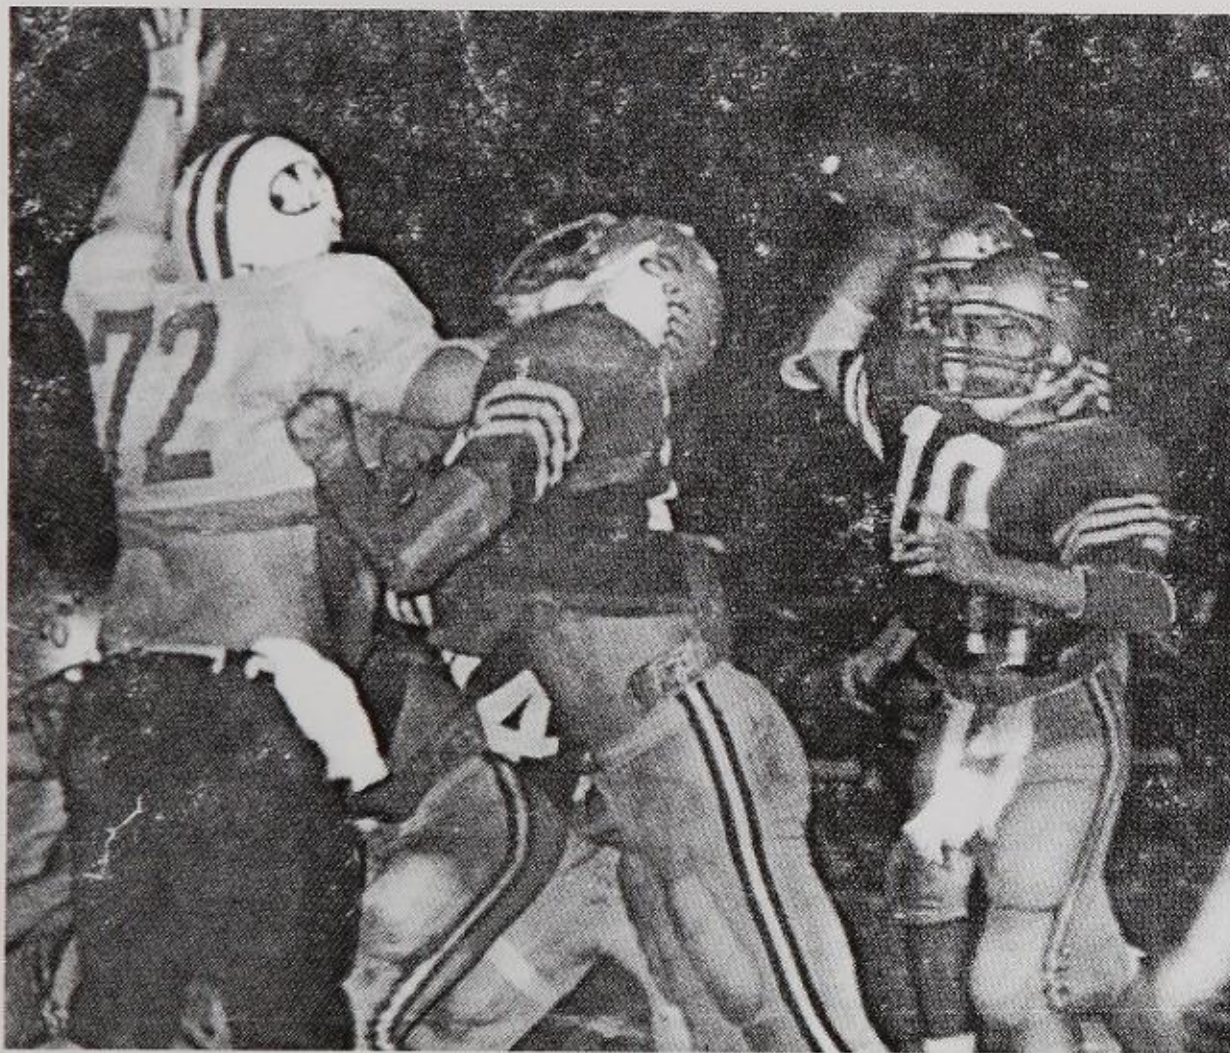

Hardy scrambles from defenders.

The Boy's Varsity squad this year had a very good season. It seemed it was a year for records to be broken.

First of all, Tony Muncie, who played guard, scored 1000 points. Secondly, the Engineers broke the number of wins in one season previously set at 16 by winning a remarkable 18 games and also going back to the regional tournament for the third consecutive season. The Engineers finished the season at 18 wins and 13 losses with a loss at the hands of Mason Co. on their home floor in the Tenth Regional Tournament.

The Ladies in the Blue and White had a good season this year. They won a lot of games they probably shouldn't have or weren't supposed to win. These games came in a very tough schedule against some of the best girls teams in the state.

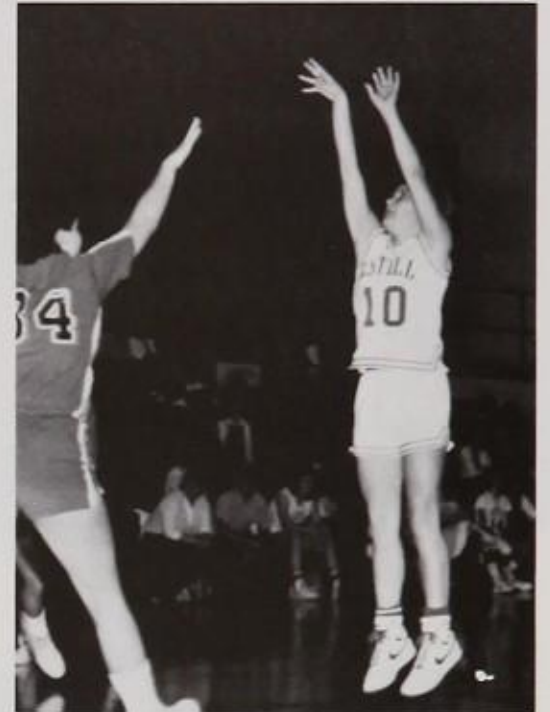

This team turned on when it counted, at the end of the season, winning the first round of the district at Clark Co. against Bath. This allowed them to go to the Region 10 Tournament at Mason Co. They faced Mason the first game of the tournament. They lost this game BUT they went down FIGHTING!!

JUNIOR VARSITY BOYS

Jody Creech, Bud Tucker, Phillip Gross, Sam Niekurk, Stephen Daugherty, Brian Daniel, Benny Smith, Tommy King, Chris Wiseman, Charles Young, Jeff Pearson

The J.V. Boys had a terrific season this year. They had a winning season along with a district title. They were strong on the boards with Charles Young and Brian Daniel. They were tough outside with Jody Creech and Jeff Pearson. They were just an all around good ball club. They had excellent coaching out of coaches: Kirby, Worrell, and new assistant Phil Rison. This team will be a great varsity team in a couple of years. If I were you I'd be looking for them.

J.V. IN ACTION

The J.V. boys had many great wins. Two of the most important came in the 40th District Tourney. (Above) we see Jeff Pearson and Tommy King in district play.

Benny takes it to the hole!

Winning came natural to the J.V. boys this year. (Above) we see Brian Daniel, who had a great district tournament shoot a freethrow. As coach Kirby (Right) talks it over during a timeout.

Second Row: Coach Joe Abney, Jenny Childers, Ericka Justice, Lisa Pasley, Jan Thacker, Earla Brackett, Jessie Jones, Coach Sharon Tyson.

The J.V. Lady E's had a lot of ups and downs this year but all in all it was a good season for them. They have a lot of talent and will be a very good team in the varsity ranks. They were led by Coach Tyson in her second year with the Junior Varsity. She jelled their talents together to win some games they shouldn't have won. She is glad to be at Estill County High and we are glad to have her. We hope she stays for a long time. As for the girls themselves, GOOD LUCK IN THE FUTURE!

CROSS COUNTRY

Benny Smith, Chris Wiseman, Steve Fox, Stephen Daughtery, David Blackwell, Jeff Barnett, Jimmy Bonny, Tim Burkhart, Chris Lewis, Tommy King, Kevin Harris, Lorah Wright

The Cross Country team this year was equally divided with good runners. Runners like Tommy King and Chris Lewis finished in the top 20 in nearly every race. When there are 50 runners in a race that's pretty good. They had some stiff competition such as Montgomery Co., who is always tough. They ran in one meet where there were four teams entered. There was one female runner, Lorah Wright.

SOFTBALL

Back Row: Coach Shirley Beard, Belinda Powell, Lynn Hatton, Becky Abshear, Libby Howe, Jayne Gerald, Jamie Thomas, Sonya Brandenburg, Kristi Wolfenbarger, Missy Walling, Shamonna Webb, Susan Alcorn, Coach James Thomas. Front Row: Lisa Neal, Lorah Wright, Tammy Gerald, Pammy Gerald, Missy Brandenburg, Kim Hardy, Lisa Harrison, Carol Puckett, Tammy Watson.

The 1986 softball team finished the year with a record of 31 and 4, making a fourth year in a row with a winning season. The team followed last year's tradition by winning the District Championship and advancing to the Regional Tournament. They fell short in the Regional Championship game and had to settle for bringing home the Runner-Up trophy. There will be three starting seniors leaving but the team has a good chance of repeating the winning tradition that they have established!

The 1986 edition of the baseball Engineers' played a total of 32 games during the rain-free Spring. After the opening win, the Engineers struggled through the year below a .500 season, finished with 14 wins and 18 losses.

With a young ball club, many players gained experience. The Engineers had 2 shut-outs while being shut-out 5 times. The season ended with a 2-3 loss to 40th District host Bath Co.

Season highlights were a grant come-from-behind win against Madison High led by Steve Daugherty's grand slam, Rookie Daniel Cole's "no hitter" vs. Garrard Co., and Rison's 3 hit shut-out over Nicholas Co.

back, and still be the way we were. But, I don't know. When I'm depressed, I think about how close we were - always talking to each other. That makes me feel better to know that someone cared as much as you

did, when I was on the edge of life, you pulled me up and made me see what I had going for me - many times! I swear that I wouldn't be writing this if the Lord hadn't put you on this Earth. I still have my moments, but they're getting better. Sorry I had to write on this page, but I didn't have room. But, anyway, you were the BEST friend I ever had, so don't ignore me anymore. That truly hurts. I Love you, Doll! God bless. I blessed you! For the '89"

F.L.O. (Friends For Life Organization), sponsored by Mrs. Sharon Niece, is a club just started at E.C.H.S. this year. This is a club that tries to prevent drinking and driving. This year F.L.O. sponsored a drug and alcohol free party, which was held after the Prom from 12:00 a.m. to 7:00 a.m. The theme of the party was "The Party Heard 'round the World." This party was for the Juniors and Seniors and their dates. This party was to show everyone that you can go one night without drinking or taking drugs. Mrs. Niece would like this to become an annual event.

We, the '86 Engineer Staff, have tried very hard to construct an annual that you would enjoy. We hope our efforts have been successful.

The construction of this annual was not easy due to traditional standards and price; however, special thanks go to all our sponsors who made this annual possible through their advertising support.

We would also like to thank Mr. Riddell (Yearbook Advisor), Jamie Durbin (Beverly Studio), and Mike Rivard (Taylor Publishing Co.) for their cooperation and advice.

The staff and myself wish all of you the best, and I hope that this annual will help you cherish and share these memories from "OUR TIME."

Karen,
To a very cute and nice girl that
+ don't really know that well. But that
could change in the future. You're got
a few more years out here so you
better be good. Good Luck
in the future and with whoever

Karen,

Well I don't know exactly ~~what~~
what to say except you've been there
for me through thick and thin with
Liam and if it wasn't for you we
probably wouldn't be back together
well we're not exactly back together
but we're getting there. Thanks! we
grew up together at least until
you moved. I wish we could have
lived there a little longer but
we've always been pretty close and
when you need me I'll always be
there no matter what. Good luck
in the future and keep a smile
on your face no matter what
it's too pretty to frown.

Love ya

Your Sis

Kim

Karen,

Sorry it's in pencil -
I didn't have a pen!

Well, instead of putting the normal autograph
stuff I think I'll say "Thanks!" Thanks for
always being there, even when you didn't want
to. You've changed my life around completely.
If you weren't here - you know - I wouldn't
be either. I have had a bad life, but all I
can do is pray it gets better. And you
know what? It already has started to
get better. But, of course it wouldn't have
without you. When I was in the worst
6 months of my life - you made them the
best 6 months. I wish we could go/continue
